PRESIDENT'S REPORT 2022/2023

The 2022/23 season was a strong season for the Lane Cove Cricket Club on and off the field.

In January 2023 the lights on the Blackman Park Nets were turned on which was one of only six in the whole NSW and the only one opened to the community.

Thank you Lane Cove Council.

We had 5 teams win Junior Premierships and had Daniel Hughes present their premiership hats to them.

Thank you to the committee, the sponsors and all the volunteers that keep the club running.

Brendan Hood
President

TREASURER'S REPORT 2022/2023

The 2022/23 season was a strong season for the Lane Cove Cricket Club.

Whilst there had been challenges with growth in Senior players in the past, there was a noticeable increase in Senior subscriptions. Junior members subscriptions have increased from the 2022 year. While the number of senior and junior teams continues to be strong, our financial security is dependent on maintaining this into future years.

For the year ended 30 April 2023 the Club returned a net profit of \$12,156 before it's co-contribution of \$20,000 to the Lane Cove Council regarding the Tantallon Oval redevelopment. As a result, the club returned a small loss of \$7,844 post contribution to the Lane Cove Council. I note that while operational expenses continue to rise over time, appropriate measures have resulted in maintaining an acceptable level of expenditure, however, continued focus is critical.

Significant increases in Ground Hire and increased player registration and NSJCA registration fees continue to be the club's largest expense, and any material increase in these will result in financial pressure on the club that may see the increase of player subscriptions.

Significant consideration will need to be given to the level of player subscriptions in 2024, which may result in a fee increase to ensure the clubs viability. Consideration will also need to be given to the ground hire costs which are expected to increase.

It's pleasing to see newcomers to the Club and to the sport of cricket, and the Club needs to ensure that a lot of time and effort is invested into the future of the Club, being the junior teams.

I would like to thank our sponsors and supporters for their continued support in the sport of cricket, and the Lane Cove Cricket Club.

The Club continues to maintain its financial position and we are well positioned for growth. As a Club, we have access to the best training and playing facilities in the broader Sydney community. I would like to thank all those involved from captains, junior representatives, coaches, players, parents and generally anyone who has continued to carry on the fine traditions of the Lane Cove Cricket Club.

30 April 2023

Error! Bookmark not defined.**Note 1. Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The incorporated association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Basis of preparation

In the officers' opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the New South Wales legislation the Associations Incorporation Act 2009, the Charitable Fundraising Act 1991 and associated regulations. The officers have determined that the accounting policies adopted are appropriate to meet the needs of the members of the Lane Cove Cricket Club Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Sales revenue

Events, fundraising and raffles are recognised when received or receivable.

Donations

Donations are recognised at the time the pledge is made.

Grants

Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received, and all attached conditions will be complied with.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Income tax

As the incorporated association is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Notes to the financial statements

Note 1. Significant accounting policies (continued)

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is current when: it is expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within twelve months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when: it is expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade and other receivables

Other receivables are recognised at amortised cost, less any provision for impairment.

Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Buildings	40 years
Freehold improvements	15 years
Plant and equipment	3-7 years
Motor vehicles	5-7 years
Office equipment	3-5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the incorporated association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Lane Cove Cricket Club Incorporated
Notes to the financial statements

Note 1. Significant accounting policies (continued)

Trade and other payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principle market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Independent auditor's report to the members of The Lane Cove Cricket Club Inc.

Report on the financial report

I have audited the accompanying financial report, being a special purpose financial report, of the Lane Cove Cricket Club Inc., which comprises the statement of financial position as at 30 April 2023, the statement of profit or loss for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' assertion statement.

Officers' responsibility for the financial report

The officers of the Lane Cove Cricket Inc. are responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Act and is appropriate to meet the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In my opinion, the financial report gives a true and fair view of the financial position of the Lane Cove Cricket Club Inc. as at 30 April 2023, and its financial performance for the year then ended.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Lane Cove Cricket Club Inc. to meet the requirements of the Act. As a result, the financial report may not be suitable for another purpose.

Third Grade Report – 2022/23

This year was our first following Sam's successful reign as skipper, which included a GF appearance. Going into this season we were optimistic but knew we were likely going to be a team in transition as we bled new young players and sought to build a new side that could hopefully take us one better. Timmy was appointed Captain in the lead up to the new season with Tay tagging along as his able deputy.

Unfortunately, we didn't start the season as planned. Unavailabilities club-wide, washouts, tough early season opposition and a lean run of runs across our batters combined to leave us winless from our first 5 games. Standouts during this time however was Tay's 5fa against Burwood and Tim's marathon 50 on a torrid outfield at Strathfield (that proceeded to drastically improve on the second week just as Strathfield needed to chase down our total).

This left the team desperate for a win and we were able to grab it in a fantastic match against arch-rivals Lindfield in a game that was also a celebration of the only two clubs to have remained Shires clubs throughout its 100-year history.

Having lost the toss and asked to field, we put in a good bowling performance to restrict them to 157 off 85 at KSO, a no mean feat considering the pitch was on the near end of the shortest boundary in Shires.

In response, a classy 50 from AJ alongside contributions from Chirag and Angus got us close but we kept losing wickets at bad times to give Lindfield a sniff of taking a win from the jaws of defeat. It all came to a head when we were 8 down (but effectively 9 down as we only had 10) needing 2 to win. Luckily Simon, in what was his first game for the club managed to French cut their opening bowler through the keepers' legs and to the boundary leading to dramatic scenes as we swarmed the field to celebrate one of the most memorable wins the team has had in years – what a game!

Unfortunately, despite that great win we were unable to capitalise in our following matches. Defeats against solid sides in Georges River and Warringah all but ended our top 6 hopes going into the new year.

Despite this we regrouped in the new year and were able to register another win against Balmain on the back of a disciplined bowling performance and runs from new boys Ethan and Chirag. We followed that up with a solid batting performance against Auburn with runs shared throughout, but with a few of our bowlers out, it wasn't enough, and Auburn managed to get the 6 points.

Unfortunately, our season ended with two losses against SDs and NWS, although highlights included Arun's 67 against SDs and Angus taking 8 wickets in his last two games to tie Tay for the top wicket taker.

Overall, we only registered 2 wins throughout the season, but we were close in several other games and could easily have had 4 wins. We also managed to expose several young players into the club and got them playing some decent senior cricket. Going forward I'm confident we can take the lessons learnt from this season and come back one year older and wiser to make a proper push in 2023/4. COME ON YOU COVIES!

As some final comments – a major shout out to the committee and especially to Hoody, Charlie and Drew for being instrumental in making this season happen. Also, a big shout out to Jake Frei who took on scorer responsibilities for most of the season and kept a handy stats pack throughout the year which was great fun – thanks Jakey!

Standout performances:

Batting:

- Zeus top run scorer with 215 runs
- Jake second top with 204 runs... and 7 wickets as well
- Tim with 189 at an average of 31
- Chirag 144 runs at 28 plus

Bowling:

- Angus on 15 wickets at an average of 13
- Tay also with 15 but at a slightly higher average meaning Gus takes home the top wicket taker award – well deserved Goose!
- Raja reliable as always on 13 wickets

Fourth Grade Report – 2022/23

As always the Lane Cove 4th Grade boys went into season 2022/23 with high hopes. We were an improving team and looking to head back to the finals with promises of solid batting, tough bowling and exciting fielding. The Season unfortunately got off to a spluttering start.

After a delayed start due to little Athletics, the first round saw a team of fill ins, due to the Swans making the GF, hold a cowboy Pennant Hills batting line up to 123, only to then watch the rain tumble. At one stage we were left chasing a gettable 75 from 15 overs, however, the umpires deemed the field unplayable, despite the efforts of a dedicated Pennant Hills, and the first round was a wash out. Unfortunately the rain continued for the next two weekends and round 2 was a complete wash out.

After a forgettable game against Burwood in round 3, the 4th grade lads were back in the winning circle in Round 4 against an always tough Strathfield. After winning the toss and electing to bat, Strathfield were in trouble in the first over with youngster Finn Copeman-Hill removing the opener and the number three in the first over. Regular wickets followed with Finn eventually taking his maiden 5fa and bowling the explosive Strathfield batting line up all out for 112 of 40 odd overs. After losing the openers early in the chase, 15 year old Ethan Blout and the returning to cricket Steve Matheson put on a sparkling partnership of 87 with Ethan falling just prior to stumps in an effort to get the first innings points on day 1. Both Ethan and Matho stood tall and scored 62 and 56 respectively to guide us to the points and then on to 162 all out and a 50 run lead. Strathfield then had a massive crack at the reverse scoring 3/181 off 25 overs. However, Ethan and Matho once again had us covered blocking out 15 overs at the end of the day to secure the first win of the season.

Things were on the up the next round as we took on local rivals Roseville, batting first, make shift opener Lachy Shaw combined with Matho for a scintillating 120 run partnership. With Lachy going on to score 65 before throwing his wicket away. Matho on the other hand did not, going on to score a chanceless 100, his second in 4s and 3rd for the club. Unfortunately the tail failed to wag, and we were bowled out for 232, a score that is more often than not a winning score in 4s. After picking up a wicket late on day 1 we were in a positive mood going into day 2, where we knew if we bowled and fielded to our ability, we should be in for a good day. Unfortunately, we failed to turn up day 2... after 2 quick wickets, to have them 3 for 16, we dropped numerous catches and failed to take advantage of our opportunities and Roseville chased the runs 8 down. Oh what could have been.

Unfortunately 2 poor results followed this with a very much depleted team getting done by a poor Lindfield and then failing to chase down a mediocre score against Georges River. The Covies did manage to return to the winners circle in round 8 just before the Christmas break, finally knocking off Warringah. In a true team bowling display, we knocked over the vaunted Warringah line up for just 153 at the home of cricket. On the back of a chanceless 50 from Josh Kingston and contributions from Marc Finni and Ethan Blount, the Covie lads chased the total down with 8 overs to spare and we went into the Christmas break on a high.

That feeling continued after the break when we took on Balmain South Sydney at ADO. After bowling first after showing the home team how to deal with covers, the young attack restricted Balmain to 155 from their 44 overs. It was the batting that was the highlight of the day and especially the old stalwart, Mark Schaafsma, turning back the clock and pilling on a stubborn 57no off 115 balls to guide us to victory. Running threes, hitting a boundary, it was

the Schaafs of old that dominated the attack. Assisted by Fat Skips 29 and Luca Micheletti's 19 towards the end, the Covies cruised to victory with 4 overs to spare and things were looking up for the boys with two wins in a row.

Unfortunately that's where the good times ended for the mighty 4s. After getting put in on a dodgy deck against Auburn and getting done outright, chasing leather against SDs, and embarrassed in the last round by North West Sydney, the season filled with such optimism at the beginning came crashing down.

There was however one massive positive to come from the season. As usual, the 4s identified and developed a number of young talents this season. The emergence of Ethan Blount, Josh Kingston, Lachy Shaw, Luca Micheletti, Ollie Cameron, Angus Mackay, Finn Copeman-Hill, Chirag Patel and Dylan Vlatko, just to name a few, shows how much talent we have in this club and how bright the future is.

This is my 9th season captaining 4s for this great club, and as usual, I would just like to take a second to acknowledge a few people for their contributions this season.

Firstly in Marc Fini, no one could ask for a better vice skipper. His knowledge of the game, his calming nature, and although a man of few words, his advice and wisdom delivered at the exact right moment has developed me, not just as a cricketer, but as a person. Thank you Tripod.

To all the other captains of the club, thank you in your unwavering support and assistance. At times it can be a tough job and I thank you for sticking it out.

And, as always, thank you to Brendan Hood, you do so much, not always noticed or appreciated, but without it we would not exist!

I hope to see you all back next for bigger and better things. Come on you Covies!.

MORE THAN 50 CATCHES (EXCLUDING WICKET KEEPING)

Before 1948-49 these were not recorded and since then, in some years, the catching statistics have been omitted from team records. The following figures show the number of catches actually credited to each player, the figures in the middle column being the number of seasons in which the players played but for which no catching record is available.
